

Welcome to our fantastic event!

This event.....

has been fully organised by.....

The organisation of this event is on behalf of The Wings of Hope children's charity which provides free education to poor and orphaned children in India and Malawi. We believe in the power of education to open opportunities in hope of providing a better future for the vulnerable children we raise money for.

Students like ourselves take part in fundraising for the Wings of Hope Achievement Award (WOHAA). WOHAA is a nationally recognised award scheme which benefits students in the UK in many ways (ask for details). It was created by students for students to give back to the community whether it be India, Malawi or the UK.

So please support our cause and donate generously!

Thank you!
